Please contact Administrator regarding manufacturers that are not listed.
Toll Free: 800-323-5771 Email: xrpowersports@protective.com

Ineligible On-Road Vehicles

- Any vehicle with less than a 12 month original parts & labor manufacturer warranty
- Any vehicle used for commercial purposes, for hire, rental, chartering, racing, used by government agencies, non-profit organizations, or used to generate revenue
- Any vehicle that is modified or retrofitted with manufacturer or after-market performance enhancing parts that void the manufacturer warranty or fail to comply with EPA standards
- Any vehicle having more than 6 cylinders, regardless of Manufacturer Warranty
- Any track style vehicle, vehicles with more than 4 wheels or Dune Buggies

Renewals

- Contract Holders may purchase extended coverage for products that meet eligibility requirements in the then current underwriting criteria
- Renewal requests must be submitted to Administrator at least 30 days prior to the expiration of the existing contract
- Renewal coverage is not in effect until approved by Administrator

Important Notes

- **Sales Tax:** Dealer is responsible to collect and remit all applicable sales tax to your state Department of Revenue
- Rates are subject to change without notice
- Administrator **MUST** receive all Contracts within 30 days of contract purchase date
- Any Contract held by Dealer is the responsibility of Dealer, including any claims occurring during that time

New On-Road Eligibility

- Vehicles with a minimum 12 month original parts & labor manufacturer warranty
NOTE: Contract terms greater than 60 months require an original parts & labor manufacturer warranty of at least 2 years
 - Contract must be sold within 30 days of the manufacturer warranty start date. Contracts sold more than 30 days after the warranty start date may be eligible with a surcharge; refer to New with Extended Eligibility section
 - Contract must be received by Administrator prior to manufacturer warranty expiration date
 - New contract term months and mileage begins on the manufacturer warranty start date, regardless of contract sale date.
- New with Extended Eligibility Surcharge**
- Surcharge applies if: (1) Previously titled vehicle and/or (2) Contract purchase date is more than 30 days after the manufacturer warranty start date.
 - Manufacturer warranty requirements: (1) Must be time remaining on the minimum 12 month original parts & labor warranty and (2) Must be properly transferred

Pre-Owned On-Road Eligibility

- Contract must be sold by selling dealer at the time of vehicle sale
- Vehicle must be mechanically inspected and a copy of the inspection must be submitted to Administrator with contract
- Vehicles must be current and 10 previous model years with less than 50,000 miles at the time of contract sale
- January 1st constitutes model year change
- Pre-owned contract term months and mileage begins on the contract sale date.

Post Sale On-Road Eligibility (On-Road Motorcycle Only)

- Vehicles with expired manufacturer warranty
- Pre-Owned vehicle purchase date is prior to the contract purchase date
- Vehicle must be mechanically inspected and a copy of the inspection must be submitted to Administrator with contract
- Vehicles must be current and 10 previous model years with less than 50,000 miles at the time of contract sale
- "Post Sale" must be selected on the Registration Page
- Post Sale contract term months and mileage begins on the contract sale date.
